# WYATT PARK BAPTIST CHURCH

## From The Pastor

Above is a picture of faithfulness. This is Pat McMurry teaching his peers the Word of God. Pat has stage IV cancer. He is a hospice patient. Nevertheless, he still teaching a Sunday school class. A few weeks ago, I was looking through some WPBC's history books and consistently saw Pat's name littered throughout the pages. Pat has not been an absent church member. For the past year, I have seen Pat come into the church two or three times a week to exercise, but he does much more than that. He is a natural encourager to everyone he encounters. He is constantly reminding us of the blessings and provisions that God offers each us. I'm amazed at his faithfulness and the peace that he carries with him every day. Pat is a trophy of God's grace. Thank you, Pat, for being such a great example for all us.

We love you,

-Pastor Jeff

# Ministries

Ministry Committee hosted a very well attended game night in March which was fun for all ages. Over 65 church members participated in the April Mini Golf Challenge. Our May Food Truck Friday was a great time of fellowship. We had more visitors at this Food Truck Friday than any prior, partially due to many students from St. Joseph Christian and their families. We added Axe throwing and T-ball to the bouncy slide line up and they were a big hit! We hope to continue attracting new guests along with a variety of Food Trucks every 2nd Friday through September.

## Music Ministry

During the first part of the year, the Worship Team was hard at work preparing for Good Friday and Easter. The band introduced new music, a new worship experience was presented for Good Friday, and the choir showcased "Empty Grave" on Easter Sunday thanks to the expertise of Maurice LaFonte. These are just the things you could see. What you didn't see were the countless hours that went into creating these opportunities, practicing both as a group and individually, stage design and implementation, and more. I'm so grateful to and proud of all who helped to contribute during this special season to glorify the name of our God. Thank you!

**WANTED: MORE WORSHIP TEAM MEMBERS!** Do you demonstrate musical talent, a servant's heart, commitment, and a heart for worship? Stay tuned for an interview/audition opportunity coming soon!

Women's Breakfast  
9:30 am

Wyatt Park Baptist Church is very happy to introduce to you our newest staff member, Rod Daniels. Rod has accepted the part-time position of leading the charge for our Youth and College programs. He has already started with many successful changes such as giving our program an exciting new name - HYPE.

The Youth and College students have been very excited about all the positive changes he has made. They are currently planning a HYPE Bowling Night coming at the end of the month. Please watch your email for a great complete update of all Rod and the HYPE Leadership Team has accomplished since his arrival!

# Technology

As the Director of Communication and Technology at WPBC, I have been very busy the past couple of months and, more recently, the past couple of weeks. There are several exciting projects that we have working on behind the scenes.

One major project that we are currently working on is building a new website that we hope will be a more suitable landing spot for families as they search for us online. We are hoping to launch the website sometime in the coming month.

Another major project has been the single largest upgrade our church television department has seen in the history of our current location. We are now broadcasting our Sunday services in Full High Definition! What a great way for families who will first visit us online to get a good example of our church. A very special thank you to all of those who give to our church's budget as well as to the folks who have given above and beyond in order to help make this significant upgrade happen both financially and with their efforts.

Feel free to see me if you would like to set up a special tour of the new studio. PS: We are in need of someone to build us a new desk for our studio. If this matches your skillset, please reach out!

In Christ,  
Matthew Paden and Team!
